MEADOW LAKE ADVISOR

LAWN WATERING

We are in the middle of lawn watering season and we sincerely appreciate those whose green lawns reflect their diligence in taking care of this chore. We are sure that it has been noticed that recently, there have been an unusual amount of bad burn spots on our lawns.

Apparently our lawn service company had a mishap with some of their equipment recently. They send their regrets and assure us that it will resolve itself over time but watering would help a great deal. We are also pleading for residents if there are condos in your building that are empty, we would all appreciate everyone's efforts in watering lawns in front of vacant units.

Also common areas such as in the front by our sign and at the cul de sac need some help with watering.

Several of our long-time residents have been very helpful with that and we appreciate your efforts greatly. In your watering efforts, please try to water the lawns for the most part and not the street. PLEASE PLEASE GIVE US A HAND AND DO ALL OF US A FAVOR AND PITCH IN!!! This request pertains to all residents - OWNERS as well as RENTERS.

KEEPING THINGS COOL

Your air conditioner condenser will work much better if you keep it free of dust, dirt and debris. This can be taken care of very easily with your garden hose nozzle or with a brush or broom. A lot of the heating and cooling people tell us that the garden hose is usually the most effective method. Also, keep changing your furnace filter even in the summer. This will also help with the functioning and good operation of your condenser.

The use of fans and watching placement of furniture within your unit will help with the free flow of air as well.

YOUR CONDO \$\$\$ AT WORK

Family Basement:	\$1270
Roof Repairs:	\$2100
Basement Repairs:	\$950
Electrical:	\$325

This is a sample of some of the extra expenses that your condo fees cover. Along with the usual summer expenses of lawn and grounds maintenance, water and sewer bills and yearly insurance on the outside of our buildings and grounds, sharing spares Condo owners some expenses that regular home owners experience. .

GARAGE SALE

Meadow Lake is going to be holding a Garage Sale on August 18, 19 & 20 (Thursday thru Saturday - no Sunday) for any and all that would like to contribute or participate. Start digging through your treasures or unwanted items and be ready to bargain. Should be fun! We have done this in the past, and even though you don't participate, it is fun to shop the street, meet your neighbors and find treasures.

FISH FLIES

Hopefully, they are finally gone. Thanks to all of you for keeping your parking lot cleaned up from those, especially the D units that usually get the brunt of that task. Next of nature's critters to be watchful for are those pesky ground bees. Please contact Sue Head if you think you have a nest starting.

THANK YOU

To all who have planted and cared for flowers, and used your creative skills in gardening to make Meadow Lake a beautiful place this year.

Newcomers still comment on the natural beauty of our surroundings, and while our board members and landscapers are diligent in keeping an eye on things, you who add beauty with your colorful spots of flowers here and there are much appreciated. It shows that you care. Thank you.

Friends are family you choose for yourself.
~Author Unknown

There can be no other occupation like gardening in which, if you were to creep up behind someone at their work, you would find them smiling. ~Mirabel Osler

I nod to a passing stranger, and the stranger nods back, and two human beings go off, feeling a little less anonymous. ~Robert Brault,
