# MEADOW LAKE ADVISOR

## ALL RESIDENTS

Your Board here at Meadow Lake is requesting owners and renters to use heavier garbage bags to try to avoid the mess the feral animals at the end of our complex are making tearing open the cheaper, thinner ones. I'm sure most of all of us can see that our trash company, Tringali, does try to pick up some of the mess left behind, but we can't expect them to take care of all that. Please folks, if you would just use heavier bags, we are hopeful that will help all of us.

## NEWSLETTERS

We are requesting all residents to also please pick up a copy of your Newsletter that is in the stand-alone boxes next to mailboxes. It appears that a lot of renters maybe are not aware that this publication is intended for them also. We have an idea that even some owners don't even bother to pick up a copy. This publication is for EVERY RESIDENT and a lot of work goes into this Newsletter which is published every other month and there is information and bulletins that are intended for every person that lives here. We are also requesting co-owners that have renters in their buildings, if you are friendly with these residents, could you please mention or ask if they help themselves to Newsletters. We hope they do, but perhaps they don't know that they should. This too, would be very helpful to them and to us. Thank you.

## PARKING

Parking during snow season has been atrocious in some parking lots and on the street. Some parking lots do not have a problem. People are moving their cars to the street as soon as the street is done, so the plows can clear the parking lots. Last months newsletter states the way to do this. In some lots this is not happening and the plows have trouble. No one wants their car plowed in but that can happen if you do not move it so the plows can do the parking lots. . Our Snow Removal Co./Landscaper crews work very very hard to do an adequate job and I'm sure most of you can hear them in the wee hours, before light to clear our complex so we can all get out for work, or appointments. There were a few complaints after the huge snow we had a few weeks ago, especially the A units, that the mountains of snow in the back by their patio was extremely inconvenient. Hopefully it does not block access to your unit, but there is always the garage door. Hopefully the weather will change and we will not have the problem of what to do with excess snow.

OK, Show of hands...  
Who's tired of snow?

## DRYER VENT CLEAN UP

Once again, we need to remind ourselves how important it is to have your dryer vents cleaned out periodically. When this is not done, it can be a fire hazard because the lint accumulates not only in the vent but also around the drum of your dryer. We do have a couple of handymen that live in this area that have done this job for some of us in the past, so just let us know if you are interested.

Brent, who lives at Meadow Creek, has done this for some of our folk. He does a nice job. Reasonable price. He is nearby and ready and willing to work. 586-790-8393.

## **CONDO \$\$\$\$ AT WORK**

Electrical Outlet @ balcony	\$145.00
Replace 14' Support Board from balcony into Garage	\$816.91
Plumbing Repairs	\$420.00
Basement Floor Repairs	\$500.00

## DE-ICER

Chuck Keesmaekers, our VP of Grounds will have a supply of de-icer usually in coffee cans or gallon-size milk bottles. If you have a container from previous years and just want Chuck to re-fill it, leave that at his address which is **24641**. Be sure your house number is on the container somewhere. We will be including a form with this Newsletter with your name, address and phone number or you can just put this form in when paying your association fees

## MEADOW LAKE BOARD MEMBERS

President:	Alan Goodrich	(248) 842-6431
Treasurer:	Scott Wilson	(586) 790-4572
Secretary	Sue Bolger	(586) 292-5797
V.P. Grounds	Chuck Keersmaekers	(313) 478-2236
V.P. Maintenance	Terry Entwistle	(586) 791-2040
Newsletter volunteer:	Mary Seiber	(586) 790-4330

**Remember these numbers are  
for emergency use only**
